

Montessori Knew it All Along: Current Topics in Neuroscience

Join us as we compare Dr. Montessori's theories to current research topics with presenters Dr. Linda Caviness, Crystal Dahlmeier, and Dr. John Hutton. Topics include: The Heart Brain Connection, A Fractal Pattern for Learning, and the Effects of Literature on Brain Network Connectivity with Pre-School Age Children. The day will conclude with a panel of Montessori educators to discuss classroom practice based on current research.

Guest Speakers: Dr. Linda Caviness, Crystal Dahlmeier M. Ed, Dr. John Hutton

Date: November 17

Time: 9 am – 5 pm (Schedule includes 1 hour break for lunch on your own)

Location: Children, Inc.
1053 Madison Ave
Covington, KY 41011

Cost: \$75 per person (save \$15 per person with 3 or more registrations from one school)

A light breakfast will be served and snacks will be provided throughout the session.
