

## **Montessori Assistant Teacher Preparation Course**

Would you like to increase your understanding of Montessori and strengthen your effectiveness in working with children? This course is designed for Early Childhood classroom assistants, teachers' aides, volunteers and parents. Participants will improve their effectiveness in the Montessori classroom and learn to better relate to children, parents, teachers and school administrators. The course will cover topics such as the Montessori philosophy, the prepared environment, the role of the assistant in the classroom, and an overview of the core curriculum materials.
